

QUALITY MATTERS

OUR COMMITMENT TO QUALITY

At Supervim, we think about solar energy all day long. We live and breathe it. We contemplate how it can power every aspect of our lives. And through our experience, we've come to believe:

Quality Matters:

Our energy is different because we're different. Our Experience, knowledge and trusted partnerships have helped deliver reliable products to businesses across the world. We have a vision to create a sustainable future for the world and we have the experience to make it happen.

Our difference comes through in the quality of our product. In fact, we've built numerous quality steps into every stage of manufacturing. We call this quality process The Supervim Standard.

Introducing the Supervim Standard

It's not just a quality-assurance program. Throughout every stage, we hold our products, our partners and ourselves to rigorous benchmarks.

Our team adheres to testing guidelines that far exceed industry requirements. We apply stringent manufacturing controls. All of the materials in our products come from suppliers proven to deliver first rate quality. **This level of attention ensures that every product we deliver meets the Supervim Standard every single time.**
